From downtown to **Encinitas** and everywhere in between, here are the latest restaurants and bars to open around San Diego County.

Death by Tequila

Encinitas

Open since mid-July and taking its inspiration from the beachy, local vibe of Encinitas and the fresh, coastal cuisine of Baja, Death by Tequila's menu was created, in part, by celebrity chef and *Top Chef* alum Angelo Sosa. Accompanying the menu is more than 100 tequila and 30 mezcal selections, along with Tijuana beers, Valle de Guadalupe wines and a cocktail menu that features drinks like the Los Muertos, made with Milagro Silver tequila, lime, mango and chile ash, served on the rocks.
